

**Job: Transporter on Mobile Unit 42Flex & 42VMU**

**Location: Pittsburg, PA**

**About Mobile TV Group:**

(MTVG) is a production integration & service company that designs, builds and operates mobile television units for live broadcasts across the U.S.

**Job Overview:**

MTVG is seeking a full-time CDL Transporter/Driver to safely and reliably move tractor/trailers. This position is based in Pittsburgh, PA.

**Responsibilities:**

- Drive mobile unit safely to event location(s) as directed by the truck schedule
- Comply with all Federal Motor Carriers Safety Administration regulations
- Set, strike, and load the mobile unit in cooperation with Engineer(s)
- Perform regular basic maintenance and cleaning activities on the trucks
- Track and report on equipment and maintenance status
- Ensure that the tractor/trailer are maintained in road ready condition at all times
- Ensure that all registrations, inspections and other related documents for the mobile unit are current and up to date
- Verify that required Commercial Driver's Licenses (CDL), medical exams and any other related certifications as a professional driver are current
- Communicate with Director of Transportation about service or repairs needed for mobile units

**Qualifications:**

- Experience in television or specialty transportation preferred
- Must be willing and able to travel as much as 70,000 miles per year.
- At least 5 years tractor trailer driving experience with a safe driving record
- Requires a Class A CDL
- Must possess a current FMCSA physical exam card and is subject to federal regulations for random drug testing and any other required medical exam
- Must be reliable and aware of all relevant state and federal safety regulations
- Must be willing and able to lift/push/pull up to 75 lbs and pass an Essential Job Functions exam
- Clean Driving Record / no moving violations in last 2 years
- No at Fault accident last 5 years
